29th June 1957] [Sri R. Venkataraman]

programme. So far we have borrowed about Rs. 98 crores from the Government of India and the general public. But we have invested all these moneys on productive Capital Works, about Rs. 60 crores on Electricity and Rs. 40 crores on Irrigation Works. We have lent about Rs. 25 crores to agriculturists and public bodies and also hold securities worth about Rs. 12 cores in various Depreciation Funds. The book value of our Capital Assets is thus very much in excess of our Public Debt. Our present budgetary difficulties are only a passing phase and need not alarm any one about our inherent financial stability. We have made substantial investments in the past, and made them wisely too.

With these remarks, Sir, I present to this House the Budget Estimates for 1957–58.

DEPUTY CHAIRMAN : The House will now adjourn and meet again at 3 p.m. on Monday, the 1st July 1957.

The House then adjourned.
